REGISTRATION

Local students.....Saturday, June 25
9 a.m. to 12 noon

Out-of-town students.....Monday, July 4
10 a.m. to 3 p.m.

Lectures begin at 8:30 a.m., Tuesday, July 5.

Lectures will be given Monday through Friday, to August 10 inclusive, **with the exception of the first week when lectures will be Tuesday, July 5 to Saturday, July 9 inclusive.** Examinations will be August 12 and 13.

Each NEW student should submit by June 1, if possible, an application form (obtained on request from the Extension Office) together with ALL his academic and professional Certificates. These will be recorded and returned.

A student now registered in another University who wishes to take summer courses at Assumption and transfer the credit, must present a LETTER OF PERMISSION from the Registrar of his present University, at the time of registration.

FEES

Tuition is based on the number of hours of instruction each class day during the Summer Session:

1 hour	$40
Each additional hour	$30

Non-resident* students pay an extra charge of $10 per hour of instruction.

Science Laboratory fee	$30
Language Laboratory fee	$10
Pro tanto (advance standing)	$10
Room and Board (July 4 to August 13)	$135

Fees are payable at registration.

*A student who lives outside the British Commonwealth of Nations.

RESIDENCE

Sisters of religious orders not staying in convents of their respective orders in Windsor, should write for accommodation to Sister Charles, S.N.J.M., Holy Names College, 265 Patricia Road; other women and men should contact the Director of Extension, Assumption University of Windsor, 400 Huron Line, well in advance of registration.

44160

GENERAL INFORMATION

Two full courses or the equivalent in half courses is the maximum permitted any student in any one Summer Session. A student who is employed may not attempt more than one full course or two half-courses in any one Summer Session. Students enrolled in a Science or an Honours course may enroll in only ONE subject in the Summer Session.

Of the 17½ courses (beyond Grade XIII) necessary for the general B.A. degree, the University may accept a maximum of 12½ courses by transfer from another approved university or college, provided such courses are comparable in content and weight to courses given at Assumption. No more than 6, however, of these 12½ courses may have been completed by correspondence.

At least two of the subjects constituting the student's major (or combined major) must be taken at Assumption, regardless of the number of such subjects the student may have completed elsewhere.

A student who has undertaken work here and subsequently wishes to take courses as a transient at some other university to count towards his degree at Assumption, must obtain permission in advance from the Registrar.

The Summer School reserves the right to cancel any course in which fewer than thirteen students register, and to make such changes in time-tables as circumstances may require.

Students may obtain reduced fares on railways by asking for a "Standard Convention Certificate" which must be endorsed by the Registrar.

POLICY REGARDING WITHDRAWALS AND REFUNDS

Students are held financially responsible for all courses in which they enroll in July unless they officially withdraw. Merely ceasing to attend class does not constitute an official withdrawal. As soon as possible, students must notify the Director **in writing.**

If withdrawal is made during the first week of classes a refund of 80% will be given; during the second week 60%; during the third week 40%. After the third week no refunds are available.

Checks for refunds will be available only four weeks after withdrawal from Summer School classes.

ASSUMPTION UNIVERSITY LIBRARY

SUMMER SCHOOL TIMETABLE 1960

	Chemistry 24 (244)	Physical Chemistry
	Economics 15	Introduction to Economics
